## **International Research Forum(s)**

The national organization will co-sponsor two International Research Forums in 2007. The co-sponsors are the University of Uyo in Nigeria and Guangxi Normal University in Guilin, P.R. or China.

Ten American scholars are selected to participate in each forum. These individuals are expected to present a research paper in education or a related field. The director of the International Research Forum should be contacted about type of paper, content, etc. The American scholars will have approximately 35 – 45 minutes each for the presentation.
